04 · TREE NUTS, EDIBLE SEEDS AND PULSES

NUTS, SEEDS & PULSES

Our nuts and seeds range supplies wholesalers, packers, bakeries and snack and food manufacturers. Products are offered in different grades, sizes and forms, from in-shell and natural kernels to blanched, roasted, sliced or hulled.

NUTS

Almonds · Cashews · Hazelnuts · Walnuts

SEEDS

Sesame · Sunflower · Pumpkin · Chia · Flax

Pulses are being added to our portfolio — ask us about current availability.

05 · DRIED FRUIT AND DEHYDRATED VEGETABLES

DRIED FRUITS & VEGETABLES

Dried fruit and dehydrated vegetables for wholesalers, packers and food manufacturers, sourced to agreed specifications for grade, moisture and packaging.

Our dried fruit and vegetable range is being finalised — contact us for current availability.

06 · TABLE OLIVES AND PRESERVED FOODS

OLIVES & PRESERVED FOODS

Table olives and preserved foods for retail, foodservice and food manufacturing, supplied in bulk, catering and retail-ready formats.

Our olives and preserved foods range is being finalised — contact us for current availability.
